## Welcome Back!

For those of you who are first time readers of the eLedger, especially parents new to the system, this is the Academy's weekly bulletin of what is occurring within the Springs'

community. It is "the place" to find important weekly information concerning our Springs' community. You can click on the "Quick Links" to access specific items of information.

The reminder for submissions will be sent out each Monday to administration, faculty and staff with the weekly, final publication on Thursday. Other submissions can be emailed to me directly by Wednesday noon at [mlindborg@smsacademy.org](mailto:mlindborg@smsacademy.org).

For news events that impact our community, please follow the listed guidelines for submitting information:

- ✓ Information can appear three times if necessary and appropriate.
- ✓ Some requests may be subject to Administrative approval.

The next two weeks continue the ongoing challenge to build community as teachers and staff return for in-services addressing policies and best teaching practices, and to ready classrooms, while parents and students participate in orientation sessions to familiarize themselves with the Springs' environment. Each new school year heralds an excitement as the Spring's community looks forward to new challenges and positive outcomes. Working together, within our Springs' community, they are very achievable.

### News from the kitchen

Welcome to the new school year! SMSA Food Service is part of the National School Lunch Program and we strive to present tasty and nutritious meals for our students every day. **Parents are always welcome to come and share a meal with their children.** We hope to see you visiting our cafeteria soon.

There are a few reminders for the upcoming year. At [www.smsacademy.org/lunch.cfm](http://www.smsacademy.org/lunch.cfm) you will find menus, necessary forms, and information for food service. The Food Service payment policy has instructions on food service payment and instruction for setting daily limits using the skyward family access on purchases for your students, in the middle school and high school, who have a la carte choices.

New this year, the high school will have a ten minute morning break when they are welcome to come down to the cafeteria and grab a mid-morning snack. We will be featuring one grab-n-go snack item every day along with regular a la carte offerings. Also, we still have a

food service position available. If you are interested in the opportunity, please look at our posting at [www.smsacademy.org/jobs.cfm](http://www.smsacademy.org/jobs.cfm). This is a great opportunity for some extra income and a schedule that matches your family's. Or please consider joining as a food service substitute for occasional staffing needs. Please contact [mkarrmann@smsacademy.org](mailto:mkarrmann@smsacademy.org) with further questions or interest.

### Sports News

**We are still looking for volunteers to cover admissions and concession stands for this year's athletic events. Remember parents of athletes are required to work at least 3 events.**

Greetings from the School Nurse!

Hello!! My name is Katie Hellmer, and I am excited to be the first SMSA school nurse! My family relocated back to Fond du Lac after living in Northwest Arkansas for 2 years where I also worked as a school nurse. I grew up in Brownsville and lived in Fond du Lac before my husband's job took us on an Arkansas adventure.

I will be on campus on Monday, Wednesday and Friday each week. I am looking forward to getting to know the families here and hope to be a resource to any medical related needs here at SMSA. Please do not hesitate to contact me for any health/medical related needs regarding your children as I will be doing the same as I get to know each child. You can reach me at [khellmer@smsacademy.org](mailto:khellmer@smsacademy.org) or 920-322-3206.

As they prepare their classrooms, please take time with your student(s) to ensure that they are getting ready as well. Please note the above list to ensure they have what they need to start off the year.

It's hard to wait to see all the students back in the hallways, playgrounds, and in the classrooms eager to learn and grow in various ways. Thank you for being partners in their education. See you soon and enjoy the rest of summer relaxation.

## Campus Ministry

Saint Monica (c.330 – 387): August 27<sup>th</sup>

<https://www.franciscanmedia.org/saint-monica/>

“The circumstances of Saint Monica’s life could have made her a nagging wife, a bitter daughter-in-law, and a despairing parent, yet she did not give way to any of these temptations. Although she was a Christian, her parents gave her in marriage to a pagan, Patricius, who lived in her hometown of Tagaste in North Africa. Patricius had some redeeming features, but he had a violent temper and was licentious. Monica also had to bear with a cantankerous mother-in-law who lived in her home. Patricius criticized his wife because of her charity and piety, but always respected her. Monica’s prayers and example finally won her husband and mother-in-law to Christianity. Her husband died in 371, one year after his baptism.

Monica had at least three children who survived infancy. The oldest, Augustine, is the most famous. At the time of his father’s death, Augustine was 17 and a rhetoric student in Carthage. Monica was distressed to learn

that her son had accepted the Manichean heresy—‘all flesh is evil’—and was living an immoral life. For a while, she refused to let him eat or sleep in her house. Then one night she had a vision that assured her Augustine would return to the faith. From that time on, she stayed close to her son, praying and fasting for him. In fact she often stayed much closer than Augustine wanted.

When he was 29, Augustine decided to go to Rome to teach rhetoric. Monica was determined to go along. One night he told his mother that he was going to the dock to say goodbye to a friend. Instead he set sail for Rome. Monica was heartbroken when she learned of Augustine’s trick, but she still followed him. She arrived in Rome only to find that he had left for Milan. Although travel was difficult, Monica pursued him to Milan.

In Milan, Augustine came under the influence of the bishop, Saint Ambrose, who also became Monica’s spiritual director. She accepted his advice in everything and had the humility to give up some practices that had become second nature to her. Monica became a leader of the devout women in Milan as she had been in Tagaste.

She continued her prayers for Augustine during his years of instruction. At Easter 387, Saint Ambrose baptized Augustine and several of his friends. Soon after, his party left for Africa. Although no one else was aware of it, Monica knew her life was near the end. She told Augustine, ‘Son, nothing in this world now affords me delight. I do not know what there is now left for me to do or why I am still here, all my hopes in this world being now fulfilled.’ She became ill shortly after and suffered severely for nine days before her death.

Almost all we know about St. Monica is in the writings of Saint Augustine, especially his *Confessions*.”

#### Reflection:

“Today, with Internet searches, online shopping, text messages, tweets and instant credit, we have little patience for things that take time. Likewise, we want instant answers to our prayers. Monica is a model of patience. Her long years of prayer, coupled with a strong, well-disciplined character, finally led to the conversion of her hot-tempered husband, her cantankerous mother-in-law and her brilliant but wayward son, Augustine.”
