

Joan Setser Scholarship Available for Incoming Freshmen

Mr. Charles Setser, a long-time member of Holy Family Catholic Community, recently created a scholarship opportunity for four St. Mary's Springs Academy current eighth grade students, who will be enrolled in the ninth grade at St. Mary's Springs Academy for the 2018-2019 school year, and who, along with their parents/guardians, are active members of Holy Family Catholic Community. Mr. Setser designated this scholarship in memory of his wife, Joan Setser, who passed away in 2017.

Four scholarships of \$275.00 each will be awarded to current St. Mary's Springs Academy eighth grade students, who are enrolled to attend St. Mary's Springs Academy as ninth graders for the 2018-19 school year and meet the following:

- 1) Must currently be enrolled in the eighth grade at St. Mary's Springs Academy during the 2017-18 school year and enrolled in the ninth grade at St. Mary's Springs Academy for the following 2018-2019 school year.
- 2) Must be parishioners, along with their parents/guardians, of Holy Family Catholic Community, Fond du Lac.
- 3) Each applicant will need to write and submit a brief essay (no more than two pages, typewritten, double spaced, size 12 font) beginning with the statement "Please select me to receive the Joan Setser Memorial Scholarship because..."
- 4) At the top of their essay page, the student should list their first and last name, their parent(s) first and last name(s), their home address, their phone number and an email address at which we can contact their parents.

Essays can be mailed to Gail Kraig, Director of Advancement, Holy Family Catholic Community Parish Offices at 271 Fourth Street Way, Fond du Lac, WI 54937 or emailed to gkraig@hffdl.org, or be dropped off to Mrs. Kraig (in an envelope marked to her attention) at the Holy Family Parish Offices .

The essay must be received by Mrs. Kraig no later than Tuesday, April 17, 2018

Applicants will be notified by May 15, 2018 as to whether or not they were chosen to receive one of the four scholarships. Each of the four recipients chosen will have \$275 credited to their SMSA account for the 2018-19 school year. Should any of the applicants be unable to attend St. Mary's Springs Academy for the 2018-2019 school year, their scholarship money will then be allocated to previously selected "alternate" recipients.

If you have any questions regarding this scholarship process, please contact Gail Kraig at (920) 921-0580, Extension 140, or email her at gkraig@hffdl.org.

A very special thanks to Mr. Setser for his generosity in providing these scholarships in his wife's memory.
