

2018 Theatre Clinics

Ages 6 – 12 Years Old

The Recreation Department is teaming up with the Fond du Lac Community Theatre & Encore Children's Theatre to provide three workshops focused on developing the diverse skills needed in theatre performance. If you would like to get started in theatre or want to brush up your skills before the next production, these workshops are exactly what you're looking for.

<p style="text-align: center;">Next! Saturday Sept 22 9:00 – 11:00am</p> <p>In this fast-paced workshop, we will cover the hardest part of theatre: Auditioning! Participants will learn how to shake away their nerves and have a successful audition. Monologues will be available, but participants are encouraged to bring any pieces they are currently working on. Participants will also practice important auditioning tips and learn how to choose the right music for a musical audition. Participants will perform their monologues or songs at the end of class for family and friends.</p>	<p style="text-align: center;">And a 5, 6, 7, 8 Saturday Sept 29 9:00am – 11:00am</p> <p>Participants will discuss iconic dance routines in musical theatre history and will learn some basic dance steps as well as some contemporary styles of dancing. With the help of the instructor, participants will put together a small group dance number and perform it at the end of class for family and friends.</p> <div style="text-align: center;"> </div>	<p style="text-align: center;">On the Spot Saturday October 6 9:00 – 11:00am</p> <p>This improv workshop is perfect for people who can be spontaneous and like to make people laugh. Participants will learn about the key elements of improvisation by participating in sketches and theater games with their peers. The class will conclude with a final performance for family and friends.</p>
