Boys Volleyball Clinic

This clinic is open to male athletes interested in learning volleyball skills with the opportunity to see what structured volleyball is all about and prepare interested players for the HS Boys JV & Varsity Program. The clinic will be led by the FDL High School coaches and Varsity players. They will work on introducing various concepts about competitive volleyball, which include positions, defense types, and general skills. The first half of each session will be learning the game and the second half will be competitive play versus athletes of similar skill set.
