

2019-2020 Herb Herro Scholarship Application

St. Mary's Springs Academy

Deadline: Wednesday, April 24, 2019

Herb Herro Scholarship Background:

The Herb Herro Scholarship, which began in 2004, is offered to current 8th grade SMSA students, who intend to continue their SMSA journey at the high school. The scholarship is financial need based, meaning that students/families must demonstrate financial need by way of completing the TADS (tuition assistance) application, in addition to completing this essay/application. The award is a four-year commitment, typically anywhere from ¼ - scholarship to a full-scholarship each year. Recipients are required to maintain a quarterly 3.0 grade point, and complete 20 annual hours of community service to maintain their award from year to year.

Scholarship Applicant Requirements:

- Application should be completed by the student (not the parents/guardian).
- Candidates must be practicing Catholics and active members/participants within their parish.
- Candidates must be involved in community service work within the school, Church and/or community.
- Families must also complete TADS application to be eligible for scholarship.
- This form must be returned along with two scholarship recommendation forms. One recommendation should be from your parish priest, indicating your involvement within the parish, and one recommendation should be from an agency/civic group with which you volunteer your time. If you cannot find an agency/civic group to provide a letter of recommendation, you may secure one from a teacher/coach of SMSA.

Special Notes:

- Applications are confidential and managed in the SMSA Advancement and Business Offices. A special committee will read these applications, and if selected to move on to the next round, students will be called in for a formal interview with our panel.
