Youth CPR/AED and First Aid Certification

Great for first time students wanting basic CPR/AED/First Aid knowledge or as a refresher for students who have previously taken the "Home Alone Babysitting Course" who need to renew their CPR/AED. Valuable life-saving skills will be taught through lecture, video, hands-on practice, and role playing. No graphic images are used. Students will learn CPR for all ages, how to use an AED, and how to respond to choking emergencies. First Aid basics and responsibilities in circumstances such as allergic reactions, low blood sugar, broken bones, external bleeding, burns, hypothermia, and more. Upon completion of the class, students will receive an American Heart Association CPR/AED & First Aid course completion card.

Please bring a bag lunch and water bottle with you to class.
