

SMSA SCRIP TUITION CREDIT PROGRAM AGREEMENT—Part A
 For purchases made June 1, 2020 - May 31, 2021 (Credit School Year 2021 - 2022)
RETURN ENTIRE FORM TO SMSA SCRIP OFFICE, 255 County Rd. K, Fond du Lac, WI 54937

SCRIP TUITION CREDIT GUIDELINES

1. Scrip credits are based on a 35/65 calculation of the total rebate offered by each vendor. For example, if a vendor offers a rebate of 10% and \$100 is purchased from that vendor, you will receive \$3.50 and SMSA \$6.50.
2. The section labeled “tuition credited to” on the order form must be filled out with the student/family name who you wish to receive the credit. If multiple families split the credit you generate, designate *your* name on the order form and complete Part B of this agreement (on reverse side).
3. Records of Scrip purchases will be kept and credited for the fiscal year of 6/1/2020 through 5/31/2021. You have the option of using your credit on a yearly basis or banking it for the future. **SMSA will allow credit to be banked for a maximum of 10 years at which time banked credit must be used at a tuition based school. If accumulated banked credit for a single year is less than \$10.00 it will automatically transfer into the SMSA Fund. Additionally after a one year gap in purchase activity your total banked credit will transfer into the SMSA Fund.**
4. Scrip credit can be used for tuition credit only; credits may not be redeemed for cash. Credit can be used at **any** tuition-based school, public or private, in the United States, including St. Mary’s Springs Academy.
5. If you request tuition credit for SMSA, it will be credited to your annual tuition bill. For other schools, a check will be issued. Scrip credit checks must be issued to a tuition based school or university, credits cannot be issued to individuals. You must earn at least \$10.00 for a check to be issued to a school. Credits will be issued ONE time per year, at the end of the Scrip year. Checks will not be issued any other time.
6. If you bank your credit you will receive a letter indicating how much you have earned to date. If banked credit will be used, it will be issued once, at the end of the Scrip year. This form needs to be signed **on an annual basis**.
7. As this program evolves, additional guidelines, regulations, etc., may be identified and implemented at any time.

***Please note: SMSA makes no representation regarding the tax effect of Scrip purchased for tuition credit. Please consult your tax advisor.**
