COVID Basics & Liability Disclosure Statement

- COVID is primarily transmitted by aerosol, but also by touching contaminated surfaces. Sports/Training may cause heavier breathing which can increase spread of aerosol & virus transmission
- Student-athletes with high-risk conditions or household/close contacts with high-risk conditions may want to avoid and-or adjust participation to reduce transmission.
- Any student-athlete, coach, official, spectator, etc that attends Flyway Conference school events must accept the inherent risk of attending. The Flyway Conference or its schools will not be held liable for any COVID-19 related transmissions.

Flyway Conference COVID Philosophy

The Flyway schools are requiring that parents, coaches, and staff perform a self symptom check prior to sending their student(s) to our school.

Please use the [COVID Self Screening Tool](#).

The ability to keep our school open, competing, and in person is dependent on parent/guardians, coaches, and staff keeping sick, or presumably sick, children home.

Mask Mandate

A large, faint watermark of the Wisconsin Flyway Conference logo is centered in the background. The logo is circular and features a stylized bird in flight with its wings spread, perched on a branch. The text "WISCONSIN FLYWAY CONFERENCE" is written around the perimeter of the circle.

- Per Wisconsin Flyway Conference and WIAA order, all fans will be REQUIRED to wear a mask inside for the duration of winter sports.
- Individuals not wearing a mask will be asked to enjoy the event virtually from home.
- Regardless of health conditions no exceptions will be made to this mask mandate.

THANK YOU FOR YOUR COOPERATION!
