

Dear SMA Families,

The SMA Parent Connectors is a group of dedicated parents, committed to support our System by welcoming all families, tenured and new, to be a part of the fabric of our school. These parents plan a plethora of activities and events throughout the year that promote System unity and celebrate our unique Catholic school community. We will provide you with ways to build connections with new families, celebrate our SMA staff as well as organize SMA family events.

Parent Connectors Mission:

New family outreach and support, community building activities and appreciate & celebrate our staff and faculty.

New Family Outreach:

Making 1:1 connections with new families through calls/emails, event invitations, and more.

Community building activities:

Hosting community wide events such as Trunk or Treat, "Ledger Express: A Christmas Celebration", Student Showcase, etc.

Appreciation and celebration of staff & faculty:

Planning special ways to recognize them throughout the school year.

Parent Connectors is committed to ensuring the spirit of the SMA community and culture through events and outreach that unite our students, families and staff. Throughout the year, there are many opportunities to volunteer in any of the above areas. Please look for a volunteer form in your welcome back paperwork at the elementary supply drop off day to be filled out to show your interest. If you only have a middle or high school student(s), please email Andrea Nuss, alnuss@charter.net to be added to our email group. Also watch the eLedger for upcoming information regarding our group and events. We are always looking for people to help with volunteering at the events, donate items or even help with planning the events. If you have any questions, please reach out to Andrea Nuss, alnuss@charter.net. We would love to have you a part of our Parent Connectors Group!
