WHERE DO I START?

Good Starting Points 

- [Scoir](#) will indicate if the college(s) you are applying to use the common app or not. If the schools you are applying to use the common app - filling that out will be a great starting point. [Click here to get started with the Common App](#).
- If you need a place to fill out an application feel free to come to the North Hall Office and we can walk through them together.
- Once you have applied, mark it as applied on Scoir and fill out the [SMSA Transcript request form](#). Transcripts will not be sent unless I see them on this form.
- If you hear back from a college please fill out this form - [COLLEGE ADMISSION DECISION REPORTING FORM](#). This will remain confidential.
- Reminder- Ask questions and remember it's okay to feel lost and not know what to do next - we are here to help you!
