

## **WI Parental Choice Program(WPCP) Enrollment 2024-2025**

The WI Parental Choice Program (WPCP) online application period will open February 1, 2024 and will close on Thursday April 18, 2024.

The DPI requires **current** Choice families to fill out the application for the 2024-2025 school year. Filling out the application for next school year (2024-2025) informs the DPI that you want to receive your Choice voucher for 2024-2025. If the DPI does not receive an application from a **current** Choice family the DPI assumes that you do not want the voucher for the next school year and your voucher will not be renewed.

New and **current** families must electronically submit their application at:

<https://dpi.wi.gov/parental-education-options/choice-programs/student-applications>

Current Choice families are not required to provide income documentation.

**NEW** families, applying for a school voucher, must be income eligible to apply. The following income limits have been posted for 2024-2025:

<u>Family Size</u>	<u>Maximum Yearly Income*</u>
1	\$32,076
2	\$43,384
3	\$54,692
4	\$66,000
5	\$77,308,
6	\$88,616

For each additional member in a family add \$11,308.

Family income includes the income of the student's parent(s)/legal guardian(s) that reside in the same household as the student.

**Current** Choice families are not required to provide income documentation. Proof of residency documents are required for current and new families.
