Gr. 4K Summer Enrichment

Ready, Set, Kindergarten!

Any child who will start kindergarten during Fall 2025 may sign up for this summer school class.

We will be learning and practicing letter names and sounds, and gaining phonological awareness skills, all while playing and learning to get along with others! During the time we spend on math, students will play a variety of games that will provide practice with counting, working with shapes and number formation. Part of our math experience will also include working with the whole class to solve math mysteries!

For Students Currently in Grades 11-12

Class: The College Application Essay

Location: Fond du Lac High School

Date: June 16 - July 3, 2025 (Monday-Friday)

Course #: HSE408

Time: 8:00 am - 9:15 am

Fee: \$0 **Max Students:** 20

Description: Getting into college (and getting the money to attend) is not a writing contest; the competition is more subtle than that. More important than how well you write is how well you illustrate who you are and whether a particular college is right for you. With the applicant pool ever increasing, most schools have little trouble filling their freshman class. This class is designed to help you communicate something new and meaningful about yourself to someone who only knows you by your numbers. Perhaps the best part of this class is completing this work in the summer — before the stress of deadlines and personal obligations makes the process a nightmare.

Gr. 6-8 Middle School Growth | Fusion Course

Other | Wisconsin Virtual School & FHS Partnership

Fond du Lac High School partners with Wisconsin Virtual School to provide our students with an Internet-based approach to learning using interactive online technology and requiring active participation in each course. These online courses provide a rich multimedia environment with engaging, high-quality content for individualized discovery through the learning process. This dynamic content immerses students in imaginative experiences, using a myriad of learning tools that are unique to an Internet-based format. This is an application-based program. Students must have a 2.0 or higher, and no more than 5 or more unexcused absences or reviewed on a case-by-case basis.

As a reminder for all students who have been accepted into WI Virtual School learning, WVS does not use Standards Based Grading and their retake policy does not mimic Fond du Lac High School's policy.

Contact your [school counselor](#) for details regarding WVS opportunities.
