Please be aware that transportation requests can take up to a minimum of 3-5 business days to route during the regular school year including address changes. Parents must notify the bus company when their student will not ride the bus. If a student does not ride for 5 consecutive days without notifying the bus terminal, the bus will no longer stop at the designated pick-up location (920-921-3003). Drivers will not be expected to wait for students who are not ready to load the bus. Inappropriate and/or unacceptable behavior on the bus will not be tolerated and could result in a suspension of transportation services. All misconduct on the bus will be reported to the school principal for disciplinary action. All buses are equipped with video cameras and GPS tracking systems.
