

SMSA SCRIP TUITION CREDIT AGREEMENT—Part A

For purchases made June 1, 2025 - May 31, 2026 (Credit School Year 2026 - 2027)

Return to SMSA SCRIP Office, 255 County Rd. K, Fond du Lac, WI 54937

1. Scrip credits are based on a 50/50 calculation of the rebate offered by each vendor. For example, if a vendor offers a rebate of 10% and \$100 is purchased from that vendor, you will receive \$5.00 and SMSA \$5.00.
2. The section labeled “account receiving rebate” on the order form must be filled out with the name of the family that is to receive the credit. If multiple families split the credit you generate, designate **your** name on the order form and complete Part B of this agreement (on reverse side).
3. Records of Scrip purchases will be kept and credited for the fiscal year of 6/1/2025 through 5/31/2026. You have the option of using your credit on a yearly basis or banking it for the future. **SMSA will allow credit to accumulate for a maximum of 10 years at which time this credit must be used at a tuition based school, designated to another family, or designated to the SMSA Fund. If accumulated credit for a single year is less than \$10.00 it will automatically transfer into the SMSA Fund. Additionally after a one year gap in purchase activity your total future credit will be transferred into the SMSA Fund.**
4. Scrip credit can be used for tuition credit only; credits may not be redeemed for cash. Credit can be used at any tuition-based school, public or private, in the United States, including St. Mary's Springs Academy.
5. If you request tuition credit for SMSA, it will be credited to your annual tuition bill. For other schools, a check will be issued. Scrip credit checks will be issued to a tuition based school or university, credits cannot be issued to individuals. You must earn at least \$10.00 for a check to be issued to a school. Credits will be issued ONE time per year, at the end of the Scrip year. Checks will not be issued any other time.
6. If you bank your credit you will receive a letter indicating how much you have earned to date. When your banked credit is used, it must be used in one lump sum at the end of the Scrip year. (Maximum 10 year banking—see #3 above).
7. As this program evolves, additional guidelines, regulations, etc., may be identified and implemented at any time.

***Please note: SMSA makes no representation regarding the tax effect of Scrip purchased for tuition credit. Please consult your tax advisor.**

I have read the above and agree to the terms and limitations as shown.
